Carpenter

Description

We are looking for a carpenter to join our team for ongoing projects in the Melbourne area. North and west suburbs.

Responsibilities

Read and interpret architectural drawings, plans, and engineering specifications.

Measure, mark out, and set levels for wall frames, floors, and roof structures.

Construct and install timber wall frames, floor systems, roof trusses, joists, and load-bearing components.

Ensure all framing is plumb, square, aligned, and compliant with building codes.

Install temporary bracing and supports to maintain structural stability during construction.

Operate power tools and hand tools safely, including nail guns, saws, drills, and levels.

Install external doors, windows, door frames, and cavity sliders during the lock-up stage.

Fit cladding, fascia, eaves, and weatherproofing membranes or flashings.

Ensure all openings, seals, and penetrations are weather-tight and compliant.

Install internal frames, partitions, subfloors, and structural fixings.

Fit hardware such as hinges, locksets, handles, and door furniture.

Inspect and adjust framing or lock-up components to ensure proper fit and finish.

Coordinate with other trades (electricians, plumbers, bricklayers, etc.) to ensure correct placement of services.

Maintain site safety, follow OHS requirements, and participate in toolbox meetings.

Manage materials, check deliveries, and keep work areas clean and organised.

Report issues, variations, or structural concerns to supervisors or builders.

Fantastic Homes (Aone Homes Pty Ltd) is a Victorian residential building company known for delivering quality new homes, renovations, and custom carpentry work. Operating since 2010, they focus on craftsmanship, attention to detail, and personalised service for clients across Melbourne. Although based in Shepparton, they service many growing suburbs including Melbourne's northern areas such as Wollert, providing home construction, extensions, cabinetry, and shop-fitting solutions. The company aims to build durable, functional, and stylish homes with a strong emphasis on customer satisfaction and high-quality finishes.
