Truck Driver

Description

Our Client, Burgess Earthmoving Pty Ltd, is seeking an experienced Truck Driver to join their team in Wagga Wagga, NSW. The position offers opportunities for advancement and a supportive work environment. If you have all the relevant skills, then apply now to be part of their dynamic team!

Responsibilities

- Operate a concrete mixer truck to deliver ready-mix concrete to construction sites.
- Operate tipper trucks to transport and deliver materials such as sand, gravel, soil, and waste.
- Collaborate with site staff to ensure accurate and timely discharge of concrete as per job specifications.
- Ensure timely and safe transport of concrete while maintaining proper slump and consistency.
- Load concrete at the batch plant and verify the correct mix and volume before departure
- Perform daily pre-trip and post-trip vehicle inspections, checking tires, fluid levels, and equipment.
- Clean the mixer drum, chutes, and exterior of the truck to prevent buildup and ensure hygiene.
- Follow all traffic laws and job site safety rules, wear PPE, and observe hazard zones.
- Communicate effectively with dispatchers, plant operators, and site supervisors regarding delivery times and issues.
- Complete required documentation such as delivery tickets, fuel logs, and timesheets.
- Report any delays, incidents, or mechanical problems promptly to supervisors or maintenance
- Respond to changing site requirements and adjust delivery methods as needed to suit different pour conditions

Qualifications

- Minimum two years of experience as a Truck Driver
- Need to hold an MC Driving Licence
- Minimum AQF cert II or higher qualification

Job Benefits

- Competitive pay of \$75,000 per annum plus 11.5% superannuation
- Opportunities for advancement
- Supportive work environment
